David González Nieto
"Bear Carnival"

Dear David,

On behalf of the Asociación Bienestar Sexual Integral de Canarias (ABSICAN) I would like to thank the entire organizing team of Bear Carnival for their commitment to our mission and for showing early confidence in us as we establish ourselves in this first year.

As you know, we have recently just started with our first rapid-test clinic and the contribution of 1.115€, from the Bear Carnival community, both individual visitors and the organizing team, will help us maintain that facility and develop new projects into the future.

We can of course continue to encourage the community to donate via our own website or indeed that of the Bear Carnival using any of our available methods.

Once again, on behalf of the association and all our potential users, thank you again for your ongoing support.

Warmest wishes,

James N Phillips
